

INTRODUCTION

Vinayak Pipes And Tubes Pvt Ltd., is one of the premier sources in “India” for quality metal pipes and is a professionally managed Company representing the distinct and renowned brands of welded and seamless pipes. In pursuance to our objectives, we are committed to deliver world class quality standard pipes through efficient delivery schedules and competitive price.

Our customer list includes several leading companies in engineering, infrastructure, EPC, Power, Oil & Gas etc. who rely on us for their regular tubing and piping requirements. At the heart of our success, humility and action is our foundational key to success. We are here to serve our customers that are the fundamental tenet guiding our endeavor.

Vinayak Pipes & Tubes Pvt Ltd, was founded in 1995 by Mr Arun Sarawgi, who is an engineer in electronics by education. The dedication of Mr Arun Sarawgi along with his associates at Vinayak Pipes And Tubes Pvt Ltd, goes to an extra dimension to meet the efficiency of his clients through his special expertise. This covers the ability to process the customer's requirement into total customer satisfaction.

Vinayak Pipes & Tubes Pvt Ltd, just 25 years old and it has seen exponential growth to a annual turnover of INR 240 crores (during year 2023-2024). This progress is a confirmation of our beliefs regarding personalised service and dependability. From a humble beginning, Mr Arun Sarawgi's meticulous attention in detail and persistent dedication has resulted in the Company's spectacular growth. We have built up an independent Warehouse facility at Sanaswadi with two nos of 5MT capacity EOT cranes. This warehouse has a closed area of 25,000 Square feet & 26,000 square feet of open area.
